The Protocol For Worship

Psalm 100

1. Raise your voice to God - make a joyful noise
2. Render honor to God - serve the Lord with gladness
3. Draw near to God with singing - sing praise unto God

Music is not Worship, but it can prepare your heart
to open up and Worship.

Music sets the atmosphere.

4. Acknowledge God and who He is

He is God, we are not

5. Open the door to God

Praise comes before Worship

Worship opens the door to God's presence.

6. Give thanks to God

Without God I would have nothing

7. Bless the name - The name of Jesus

The Lord is good

Thankful for God's mercy and grace there is peace in God
and His love.
