The Preparation of Worship

Ecclesiastes 5:1-7

1) Get ready to meet God in Worship

God expects sincerity and meaningfulness in Worship

Come prepared to Worship

Pray before you come

Pray when you get to church

2) Listen to God

3) Humble yourself before God

4) Mean what you say to God

Keep our word

If you say you are going to do something, do it

If you don't mean it, don't say it

When you make a commitment to God you better keep it.

#### 5) Take God Seriously

Don't play games with God : Worship is serious business
